1. Chapter 1

Hiccups POV

* * *

><p>I woke up this morning and I didn't fit in my own bed I thought something was different I felt shorter so I walked over to the shield on my wall and looked at myself and to my surprise I was a night fury "WHAT THE HECK HAPPENED TO ME." lucky for me I didn't wake toothless up so I thought about how this happened to me so I decided to astrid's house so I jumped lout the window and went to astrid's when I got there and I looked in her window and I didn't see astrid instead I saw a white night fury and astrid's mom trying to get a hold of her. "Get out of my girlfriends room right now before I tear your head off!" And then she jumped out of the window and headed to my house that's when I realized that it was astrid so I ran after her".<p>

><p>Astrid's POV<p>

I ran to hiccup's house and the minute I jumped through the window and landed on the floor toothless woke up and saw me and said aren't you a sight for sore eyes then a black male night fury jumped through the window and landed in between me and toothless and said back off toothless she's mine and I thought that i'm not this guy's I belong to hiccup and I said hey pal I am not yours you got that and the male turned to me and said calm down astrid it's me hiccup and when he said that toothless got up and went over to the night fury and snift him and when he was done he said yep it's hiccup and I turned to him and said hiccup what happened to you and then he said what happened

to me what happened to you your a night fury we said in unisine so after we talked about what happened me hiccup and toothless went to the great hall and when we got there ruff tuff and fishlegs where seting at a table when they saw us and fishlegs went dragon geek on us then snotlout showed up and said where's astrid I wanted to try and kiss her and knock out her pathetic excuse for a boy friend that's when I lost it not only was he wanting to kiss me but he insulted My hiccup so I took a bite at his leg he was screaming so loud that didn't even notice hiccup bite down on snotlout's other leg when we let go he ran out screaming mommy and hiccup came up to me and rubbed his head against mine and I kindly returned the gesture and then we left the hall and spent the day getting used to our new bodies and then night came and me and hiccup slept in the stables and so did toothless but will we were asleep I had a dream were the god of dragons said to me and hiccup that we were now night furys to repopulate the night furys and that we would have to mate the next morning me and hiccup woke up and looked at each other and said that was a weird dream.
